SUBMISSION OF SUBSTITUTE DRAWINGS

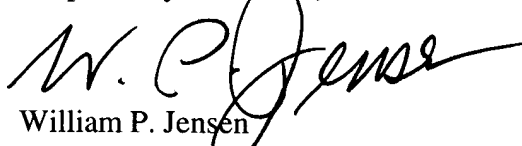

Dear Sir:

On April 9, 2004, Applicants submitted five (5) sheets of formal drawings with the above-referenced Application. Applicants have since discovered that the reference number for the oscilloscope in FIG. 3 was incorrect, and that the drawing pages were not numbered.

Therefore, Applicants respectfully request the enclosed five (5) sheets of drawings be substituted for the drawings previously submitted.

Although Applicants do not believe a fee is due with this submission, the Commissioner is hereby authorized to charge any fee or any additional amount required, or credit any overpayment, to Account No. 19-2112.

Respectfully submitted,

William P. Jensen
